The next dimension of airborne innovation

The Airborne User Group Meeting 2018 will take place from 21 - 23 February Lisbon/Estoril, Portugal in an exclusive but affordable five-star conference venue.

Join us at this exclusive conference for airborne imaging and LiDAR mapping solutions and get the latest news on the HxGN Content Program. We will present market updates, customer case studies, future development plans, and insights on new sensors and software.

Venue & accommodation

The event will take place at the iconic Palácio Estoril Hotel. The hotel was a major location during the sixth film of the James Bond saga and the cast stayed at the Palácio during the shoot. The exterior of the Hotel, the lobby, the pool and the rooms' view, are an integral part of many scenes of the film that was released in 1969. www.palacioestorilhotel.com

Registration rates

Early bird rate: EUR 95.00*
Normal rate: EUR 195.00

* Early bird rate applies until 30 November 2017
