Leica GG04 plus Tablet Solution
The ultimate asset collection combo

Improve data accuracy

The GG04 plus smart antenna provides high accuracy everywhere, regardless of whether you have a mobile data connection or not. Collect data with a positional accuracy of down to 1 centimetre in real time, improving the accuracy and reliability of your data.

Improve efficiency

The lightweight and easy to use Zeno Tab 2 allows you to work outdoors in demanding conditions. The large bright display and all-day battery allow you to work more efficiently, in all weather conditions.

Increase productivity

Zeno Mobile saves you time in the field with its simple-to-use interface. With stakeout, Smart Positioning and Esri ArcGIS Online support and multi-collect functions, Zeno Mobile provides you with a professional set of tools to increase your productivity.

Leica GG04 plus Tablet Solution

GG04 PLUS SMART ANTENNA	LEICA ZENO TAB 2	ZENO MOBILE
RTK, Multi-frequency < 1 cm + 1ppm	Android 8.0	Intuitive feature editing and attribute entry
GPS, GLONASS, Galileo, BeiDou, QZSS, SBAS	8" sunlight readable screen (1280 x 800)	Professional multi-collect and stakeout tools available
IP66 and IP68 & 1 m drop resistant	IP67 & 1.2 m drop resistant, MIL-STD-810G, MIL-STD-461F	Create and connect to RTK sources
Bluetooth®, 8-pin Lemo combined USB / Serial 232 port	GSM, Wi-Fi, Bluetooth®, NFC	Comprehensive coordinate system support and configuration
2 hours to full charge	32GB internal storage	Connect to HxGN SmartNet to improve GNSS measurements with Smart Positioning technology through RTK or post processing
Battery life: 7.5 h RTK, 10 h GNSS only	13MP rear camera, 5MP front camera, 1x USB 2.0	Upload and synchronise data with ArcGIS Online
71 x 186 mm 800g with battery	242 x 152 x 17.8 mm 618g	SHP, ASCII, KML, DWG/DXF, GeoTIFF, TIFF, JPG, PNG, BMP file format support

LEICA GG04 PLUS SMART ANTENNA

Industry leading, rugged and flexible multifrequency GNSS smart antenna. The 555 channels provide an increased number of supported satellites as well as unrivalled tracking performance in difficult GNSS conditions.

LEICA ZENO TAB 2

Lightweight, ergonomic and easy-to-use Android™ tablet. Designed to be used outdoors, the large, bright screen brings mapping to life and can be used in all weather conditions.

LEICA ZENO MOBILE FOR ANDROID SMARTPHONES AND TABLETS

Easy to use and intuitive data collection app for Android. Measure points, lines and polygons, and import/export data in a variety of different formats. Advanced functions available such as stake out and multi-collect.

TECHNOLOGY INTEGRATIONS:

HxGN SmartNet

HxGN SmartNet transforms the world's largest reference network into a precise positioning service. Connect the GG04 plus Tablet Solution to HxGN SmartNet GNSS correction services and enable up-to 1 centimetre positioning in real time, allowing for faster and more accurate data collection in the field.
